

KEYING LEGEND

KA # = "Keyed Alike" to other doors matching the same # designation. One key will open all of the same designation. This door is also on the designated area master indicated with A, B, etc following the number.

KD # = "Keyed Different" (not matching any other door) but has an overriding "Area Master" designated by the # (A, B, etc)

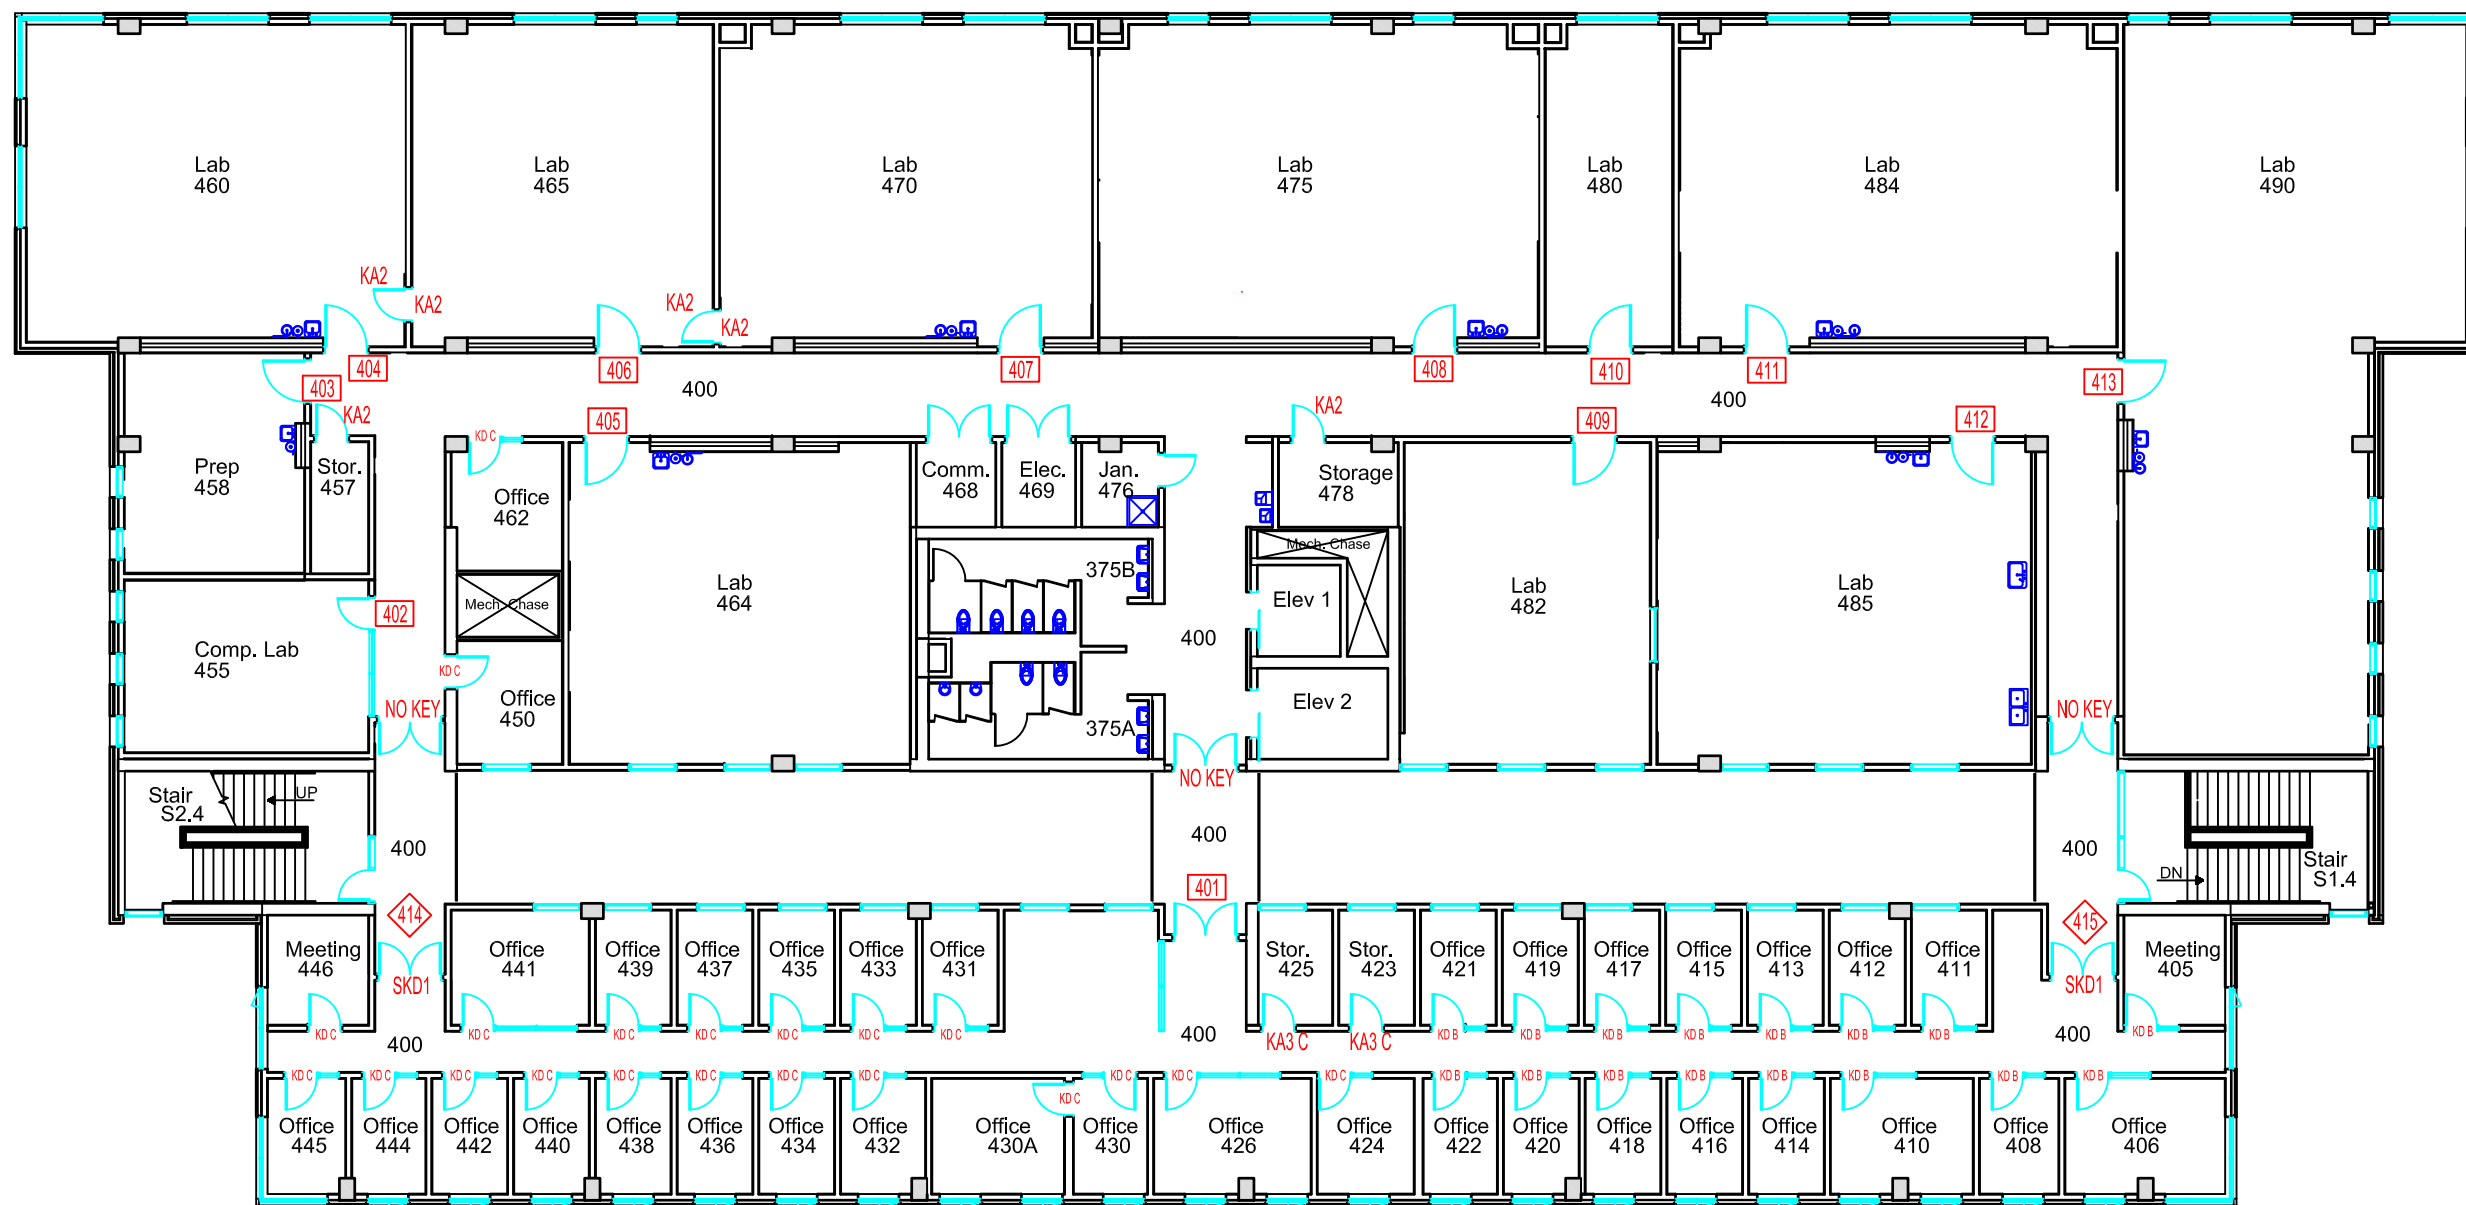

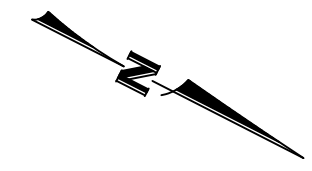

CARD ACCESS DOOR

Keys are not issued for these doors. Must request card access with the corresponding # inside the symbol.
