VIU Foundation
900 Fifth Street, Nanaimo, BC V9R 5S5

We need your support to be a National Contender!

The VIU Mariners host the Golf Tournament to raise funds to help support our student athletes. The athletes will take part in the tournament by acting as caddies for the golfers, so each golfer will have their own caddie.

2017 VIU Athletics Golf Tournament

On Tuesday, September 19, 2017, VIU Athletics will host the **7th annual fundraising tournament at the Nanaimo Golf Club**. We are extremely proud to work with our alumni, sponsors and staff to put on an event that benefits current and future student-athletes. Mariner athletes are involved in community and youth sport activities in the Nanaimo area every year and we are proud of our legacy of 'building champions'.

This golf tournament will support VIU Athletics by providing funds for such things as scholarships and exhibition travel. We also want to engage our athletes, coaches and staff with our community and business members. This unique opportunity will enable greater Nanaimo business community to connect with the VIU Mariners on a personal basis.

The number one role of the Athletics department is to support academic excellence in the classroom. We also play a role in supporting the quest for excellence in our student-athletes athletic pursuits. An important aspect to both these roles is financial support and opportunities. The support of our community is paramount to our success in all areas.

Stephanie White
