

# Go Mariners!

Recipient of the PacWest Award for best overall performance over the past seven years.

## What is the Adopt a Mariner Program?

Vancouver Island University Athletics offers organizations and individuals in the community an opportunity to be involved with Mariner Athletics through the **Adopt a Mariner** program. Your contribution provides essential support for student athletes in the form of tuition, books, travel and other competition related expenses.

## Why should I Adopt a Mariner?

VIU Athletics is committed to building champions through academic achievement, athletic excellence and national recognition of our student athletes, teams and programs. We strive to provide our student athletes with all the necessary tools for them to be champions in their sport and life.

Being a full time student and a varsity athlete requires a huge time commitment making it difficult, if not impossible, to hold down a part time job. The **Adopt a Mariner** program will help reduce financial strain and allow student athletes to concentrate on their academic and athletic endeavours.
